## DETAILED ACTION

### *Allowable Subject Matter*

Claims 1-38 are allowed.

The following is an examiner's statement of reasons for allowance:

Neither the references cited nor the cited references teach or suggest in combination an apparatus comprising:

an array module having a housing, a plurality of electronic units, and an installation frame. The installation frame has a plurality of resilient mounts fastened to external surfaces of the installation frame and arranged to a support platform to isolate the installation frame from mechanical shock or vibration in the support platform.

at least two sides rails rigidly fastened to the electronic unit, a resilient support connected to the side rails having a high resistance to thermal conductors. Each of the thermal conductors has a first end permanently mounted to a respective one of at least two thermal rails and a second end permanently mounted to one of the group consisting of the side rails, a top cover, and a bottom cover.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan T Dinh whose telephone number is 703-306-5856. The examiner can normally be reached on M-F.
